

Inpatient Acute Coronary Decompensation Assessment & Management

Presented by

Rick Barus, BSN, RN, CFRN, Paramedic
Baystate Medical Center RRT Supervisor

Disclosure

I have no actual or potential conflict of interest in relation to this presentation.

3 **WHY aVR MATTERS**

ST ELEVATION IN aVR ($\pm$ V1)
+
DIFFUSE ST DEPRESSION

THINK:

- Left Main Coronary Artery disease
- Severe Triple Vessel Disease

! This ECG should never be ignored.
